

Survey for AI-Based Sizing, Recommendations and Virtual Try-On Solution

April 2025

This survey is conducted as primary research for an MBA course in Entrepreneurship. Information provided will not be shared with any third-parties and be deleted within 30 days of receiving responses.

About You

1. Please share your email address

Your email address will not be recorded or shared with any third-party outside the survey team, and is deleted within 30 days of your submission.

2. What is your age group?

☐ 18-24

☐ 25-34

☐ 35-44

☐ 45-54

☐ 55+

3. What country do you currently live in?

- ☐ India
- ☐ Philippines
- ☐ Sri Lanka
- ☐ Other

4. How often do you shop for clothing online?

- ☐ Frequently (once a month or more)
- ☐ Occasionally (every 2–3 months)
- ☐ Rarely (less than twice a year)
- ☐ Never

Online Shopping Habits & Pain Points

5. Have you ever returned a clothing item bought online due to poor fit or size?

☐ Yes

☐ No

6. How often do sizing or fit issues affect your decision to buy clothes online?

☐ Always

☐ Often

☐ Sometimes

☐ Rarely

☐ Never

7. What factors make you hesitate when shopping for clothes online?

Select all that apply

☐ Unsure of fit/sizing

☐ Can't see how it will look on me

☐ Unclear return policy

☐ Shipping time

☐ Price

☐ I prefer in-store shopping

☐ Other

Interest in AI Recommendations & Virtual Try-On

8. If the clothing store website could **recommend your correct size** based on your body measurements, how likely would you be to trust and use it?

- ☐ Definitely would
- ☐ Probably would
- ☐ Maybe
- ☐ Probably wouldn't
- ☐ Definitely wouldn't

9. If you could **see a virtual preview** of how clothes would look on your body, would that make you more confident in your purchase decision?

- ☐ Yes, much more confident
- ☐ A little more confident
- ☐ No change
- ☐ I don't like virtual try-ons

10. Would you be willing to take your body measurements* once (via mobile phone camera or instructions) to get better product recommendations?

*Data privacy will be guaranteed

- ☐ Yes, definitely
- ☐ Maybe, if it's quick and easy
- ☐ No, I'm not comfortable with that
- ☐ Not sure

Reactions to the End-to-End Sizing Solution

11. Would you prefer using a **single solution** that gives you:

- Accurate size suggestions
- Personalized product recommendations
- Virtual try-ons

All directly from the same platform (rather than separate tools)?

- ☐ Yes, that sounds very convenient
- ☐ I'd consider it if it works well
- ☐ I don't see the value
- ☐ I prefer other methods

12. How likely are you to **shop more confidently** from a brand offering this kind of sizing + virtual try-on experience?

- ☐ Very likely
- ☐ Somewhat likely
- ☐ Neutral
- ☐ Unlikely
- ☐ Very unlikely

13. What would make you feel more comfortable using this kind of technology while shopping online?

14. Any other thoughts or concerns you'd like to share?
